

# Approving an offer

Before the trial period ends, you will receive a **quote (offer)** asking if you would like to upgrade to a paid subscription or not.

## 1. If you are happy with the service, and you want to upgrade to a paid subscription.

You will receive an email with a link to your offer. Click on that link, and you'll be able to view your quote. To approve it, click on the "Approve" button on the top-right of the page, and this will automatically convert your quote to an Invoice.

In this new invoice, you will see a "Pay Now" button in the top-right of the invoice, click on that Button and then fill in your credit card details to pay the invoice.

## 2. If you would like to cancel the instance.

In that case, when applicable we send you a backup of the data, and we proceed with the deletion of your instance.
