

Payment methods

What payment methods do you accept?

We accept payments via credit/debit cards (via Stripe) and bank wire transfer (via Wise.com). We are not accepting Paypal at the moment, but we are planning to do so soon, although we would prefer not to have to use Paypal .

Do you accept cryptocurrencies?

We do not accept payments via cryptocurrencies at the moment due to the laws in Estonia limiting such payment methods to companies that offers services the way we do. Hopefully this will change in the future.
