

# Server location(s)

At the moment our servers are located in Germany. We explain everything about the location of the data centers where your data is hosted in our Terms of Service document located here <https://cloud68.co/legal/terms-of-service>.

This applies to our standard Starter and Medium+ packages. For on demand packages please contact our team to get more details [cloud68.co/get-your-instances/on-demand-services](https://cloud68.co/get-your-instances/on-demand-services).
