Filtering tickets in Zammad.

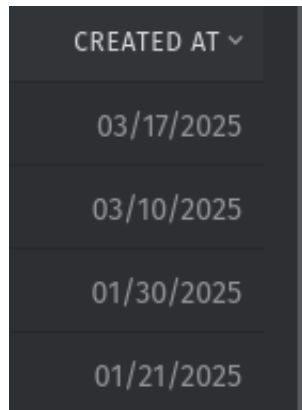

Tickets in Zammad can be in different states, Open, Closed, Pending Reminder, Pending Closed. When the number of tickets increases, it gets a little messy, but there is a solution to this. On the top bar in Zammad there are a few buttons that can help.

By Clicking the State button, it arranges the tickets according to their status.

Example:

You can also use the Created at button to arrange the tickets according to their creation time:
